

IMPORTANT: To receive your license or certification, DO NOT send applications on old forms to the wrong address.

WE MOVED!

On January 1, 2018, the State of Ohio Asbestos Licensing and Certification program moved from the Ohio Department of Health (ODH) to the Ohio Environmental Protection Agency (EPA).

Visit our website: epa.ohio.gov/asbestos

How to apply with Ohio EPA:

- **Submit applications online!**

You will get your certification card or license faster and fees can be paid by credit card or electronic check. The online application process is always your quickest option!

1. Go to our web page.
2. Click on the tab “Certification and Licenses” (located in the middle of the page).
3. Click on “Click here to begin” which will take you to online processing.

- **Mail the NEW hard copy form to Ohio EPA**

Future applications that are received at ODH will be returned with a request to submit the application to Ohio EPA on the correct form.

1. Go to our web page.
2. Click on the tab “Certification and Licenses” (located in the middle of the page).
3. A blank form can be downloaded under “Certification” in Word or PDF format.
4. Mail hard copy applications along with check or money order payable to “Treasurer, State of Ohio” to:

**Ohio EPA
Asbestos Program
PO Box 1049
